A fond farewell and our heartfelt thanks to Commissioner **D.B. Grantham** for his years of dedicated service to the Town of Ocean Isle Beach. We will miss you very much and wish you the best on your adventures ahead! Commissioner D.B. Grantham served on the Ocean Isle Beach Board of Commissioners from 2005-2016 until a change of address required him to leave his position on the Board. He and his wife Carol moved to Ocean Isle Beach permanently in 2003 after visiting and owning a home at OIB since 1988. Carol served as Chairperson for the Planning Board and the Grantham's have dedicated countless hours towards preserving the beautiful, natural, "small-town neighborhood feel" of our beloved Ocean Isle Beach. As D.B. frequently said, "We are blessed to live in this 'Mayberry' by the Sea".

We want to recognize Commissioner Grantham, and his wife Carol, for their dedication and service to our community!
